This volcanic island is a postcard perfect and idyllic spot for leisurely outdoor life. Romance and unforgettable sunsets will fill your 4 days and nights on the Island.

MYKONOS is an Island known for its beautiful beaches, jet-set atmosphere, whitewashed buildings, hundreds of tiny churches, countless windmills, chic shops and cafes. Take a boat taxi to a remote sandy beach, enjoy the local hospitality and great restaurants and night entertainment. Don't be surprised if you see, sitting next to you at one of the many small coffee shops, your favorite jet-set personality sipping his or her Ouzo with the local seafood appetizers.
