

Agios Nikolaos/Chania *By Design*

The Island of Crete *Few islands can compete with Crete's ancient sites, mix of Mediterranean cultures and spectacular physical beauty. Europe's first civilization, the Minoan, evolved on Crete some 3,500 years ago, and today we see such treasures as labyrinth-like palace with 1,300 rooms still standing at Knossos, as well as fine Minoan palace remains at Phaestos. Both are close to the island's capital of Heraklion, still surrounded by massive walls and home to a first-rate museum. Crete's attractions also include ruined palaces and Venetian fortresses, Byzantine monasteries and frescoed churches, museums and ancient monuments, vineyards, orchards and fishing villages. Along the north coast are fine deluxe resorts offering private beaches, tennis, sailing and other water sports.*

Included Highlights

- Airfare Athens/Island/Athens
- 3 nights hotel
- Round trip airport transfers
- All hotel service charges and taxes
- VIP services of a local host
- Halfboard daily (except Casa Delfino, Villa Andromeda, Elounda Mare & Atlantis, Breakfast daily)

Agios Nikolaos *The charming town is built at the far end of the Gulf of Mirabello and is named after the tiny chapel of St. Nicholas, one of the oldest in Crete (9th century). The Venetians built the mighty fortress of Mirabello here and one of the features of the town is the lake which is linked to the new harbor by a canal.*
