Greek Isles By Design

The seas are as crystal clear, the beaches as pristine, the marble walls even more smoothly worn than they were when Homer wrote of Ulysses. When you travel to Greece and the Greek Isles with TourliteZeus, you will be plying mythical waters, walking in ancient footsteps, leaning against the very pillars beneath which the original concepts of Western civilization were conceived.

Our **Greek Isles By Design** invites you to create the island hopping travel experience that best satisfies your dreams. The names are mythical - Mykonos, Santorini, Corfu, Crete, Rhodes. All it takes to make them real is your imagination.

Your personal touch is needed to design the perfect Greek Isles experience. We have laid out the gems, like a jeweler on velvet cloth, for you to consider:

The **Cyclades**, **Crete**, the **Dodecanese**, the **Ionian and Saronic islands**, the **Northern Sporades**, and the **islands of the Eastern Aegean Sea**. They are all beautiful, popular, adventurous, even luxurious, warm and welcoming. And yet, they are all different, awaiting your discerning selection. As the Greek Isles await you – by design.

We invite you to read over our travel options in greater detail on the following pages. Then discover for yourself how Tourlite International is your key to unlocking the treasures of the Eastern Mediterranean's ancient world.
