

Honeymoon Collection

From the earliest times, certainly since the time that beautiful Helen stirred the emotions of a somewhat over-zealous Paris, and from the time that Odysseus was affecting his epic voyage home, perhaps lingering a bit longer than necessary after many an island adventure, the lands of Greece, the Greek Islands, Italy and Turkey have become synonymous with romance, and have indeed, evolved into a favorite destination for honeymooners, world-wide.

Special Bonus Highlights

Your Honeymooner and Honeymoon By Design itinerary services also include

- Private transfers in Athens and the islands
- Flowers and local champagne on arrival in Athens
- Farewell souvenir gift in Athens
- Local wine or fruit baskets with each Greek Island stay
