# The Ionian Islands

**Corfu** Set in the Ionian Sea off the western coast of Greece, Corfu is possibly the most beautiful of all islands: lagoon-like coves on the east coast and dramatic cliffs and golden beaches on the west. There are, however, important places to visit: the Venetian fortress overlooking Corfu harbor, the Achilleion Palace with its gardens and casino, and the Archaeological Museum.

**Cavalieri ★★★★★**  
Sited in Kerkyra Town, the hotel was built in the 17th-century and belonged to one of Corfu's most aristocratic families. Recently converted into a hotel and renovated, all rooms have air-conditioning, private baths and telephone.
