

Your Hotels

Where you stay can have a tremendous effect on the overall quality of your trip. Every hotel or lodge on a Tourlite tour is selected for quality, location, cleanliness, comfort, cuisine and service. Our local staff visits these properties on a regular basis to ensure that standards are being maintained. All facilities listed are those available at time of printing and may be changed without prior notice.

We have taken extra care in selecting the hotels featured in this brochure. There are five distinct categories based on our criteria and the local government star classifications.

- 2 Small properties such as jungle lodges, Pousadas or Inns. They vary from country to country and location.
- 3 Properties with comfortable accommodations (in most instances A/C) clean facilities and centrally located.
- 4 Properties with very good accommodations, air-conditioned, in most instances with a swimming pool and amenities.
- 5 Superior properties with excellent accommodations, air conditioned with many amenities, very good location.
- 6 Deluxe properties offering exceptional accommodations, amenities, and service.
